PATIENT PORTAL PROXY ACCESS FORM: CHILD/TEEN

To sign up for access to your child/teen's health information through the Patient Portal, please complete this form in its entirety. Your child/teen's electronic medical record account will be linked to your current patient portal account (if available). After this form has been filled out, please return it to CBHA (address and fax number below). An activation code and link to complete the registration process online will be sent to you.
